Dear Jim:

Request is herein made for formal authorization to transfer the balance of residual inventory from Contract BB-300 to Contracts BB-425 and BB-475. These transfers will be made based on the applicability of the parts contained in this residual to the appropriate pieces of equipment.

This letter is written in an attempt to complete the contract formalities concerning the disposition of residual inventory.

Thank you very much for your consideration in this matter.

Very truly yours,

Contracts Manager
